

## DNREC Sediment & Stormwater Listserve Update: October 2023

### This month's topics:

1. **DNREC Sediment and Stormwater Management Plan Submittals**
2. **Sustainable Stormwater BMP Management for Crews Certificate**
3. **UD Lawn & Landscape Turfgrass Field Day**

### 1. **DNREC Sediment and Stormwater Management Plan Submittals**

All plans submitted to the DNREC Sediment and Stormwater Program for review or approval must be submitted by email to [DNREC.Stormwater@delaware.gov](mailto:DNREC.Stormwater@delaware.gov). This includes all Stormwater Assessment Studies, Step 2, Step 3, Step 2/3 and PCVD submittals. Acknowledgement of receipt of plan submittals will be provided by email within 2 business days. If email acknowledgment is not received, please contact the office at (302) 739-9921.

Any submittals emailed directly to a DNREC staff member will receive a response requesting that the submittal be directed to [DNREC.Stormwater@delaware.gov](mailto:DNREC.Stormwater@delaware.gov). Paper submittals are not required unless specifically requested by DNREC staff.

### 2. **Sustainable Stormwater BMP Management for Crews Certificate**

The city of Salisbury and Lower Shore Land Trust are hosting a CBLP-Crews training in Salisbury, Maryland on Thursday, October 12, 2023. This is a one-day certificate course which provides an in depth, highly practical focus on green stormwater infrastructure maintenance, designed specifically for crews and leaders, which is ideal for landscape contractors, public works, and facilities staff.

Participants who complete the class will receive the CBLP-CREWS certificate. There are discounted rates for multiple participants from the same organization. For more information, please visit <https://certified.cblpro.org/product/crews-certificate/>.

### 3. **UD Lawn & Landscape Turfgrass Field Day**

The University of Delaware is hosting a Lawn and Landscape Turfgrass Field Day on Friday, October 13, 2023. The event is geared to individuals who operate as lawn care operators (LCO) or as a landscaping company. Delaware Nutrient Management and Pesticide CEUs will be available. The cost is \$40 per person.

For more information, please visit [https://events.udel.edu/event/turfgrass\\_field\\_day](https://events.udel.edu/event/turfgrass_field_day).
