Regulations

The Office of the Registrar of Regulations is responsible for publishing the monthly [Delaware Register of Regulations](#) and the [Delaware Administrative Code](#). The *Register of Regulations* is an official State publication and is published on the first day of each month throughout the year. The Register is a compilation of all regulatory changes occurring in a given month. Administrative regulations have the force and effect of law. The *Register of Regulations* provides a single location where people may find emergency, proposed, and final regulations. The Administrative Code is a topically-oriented compilation of all regulations in effect and is the official version of the regulations for the State of Delaware.
