 - Southbridge Civic Association

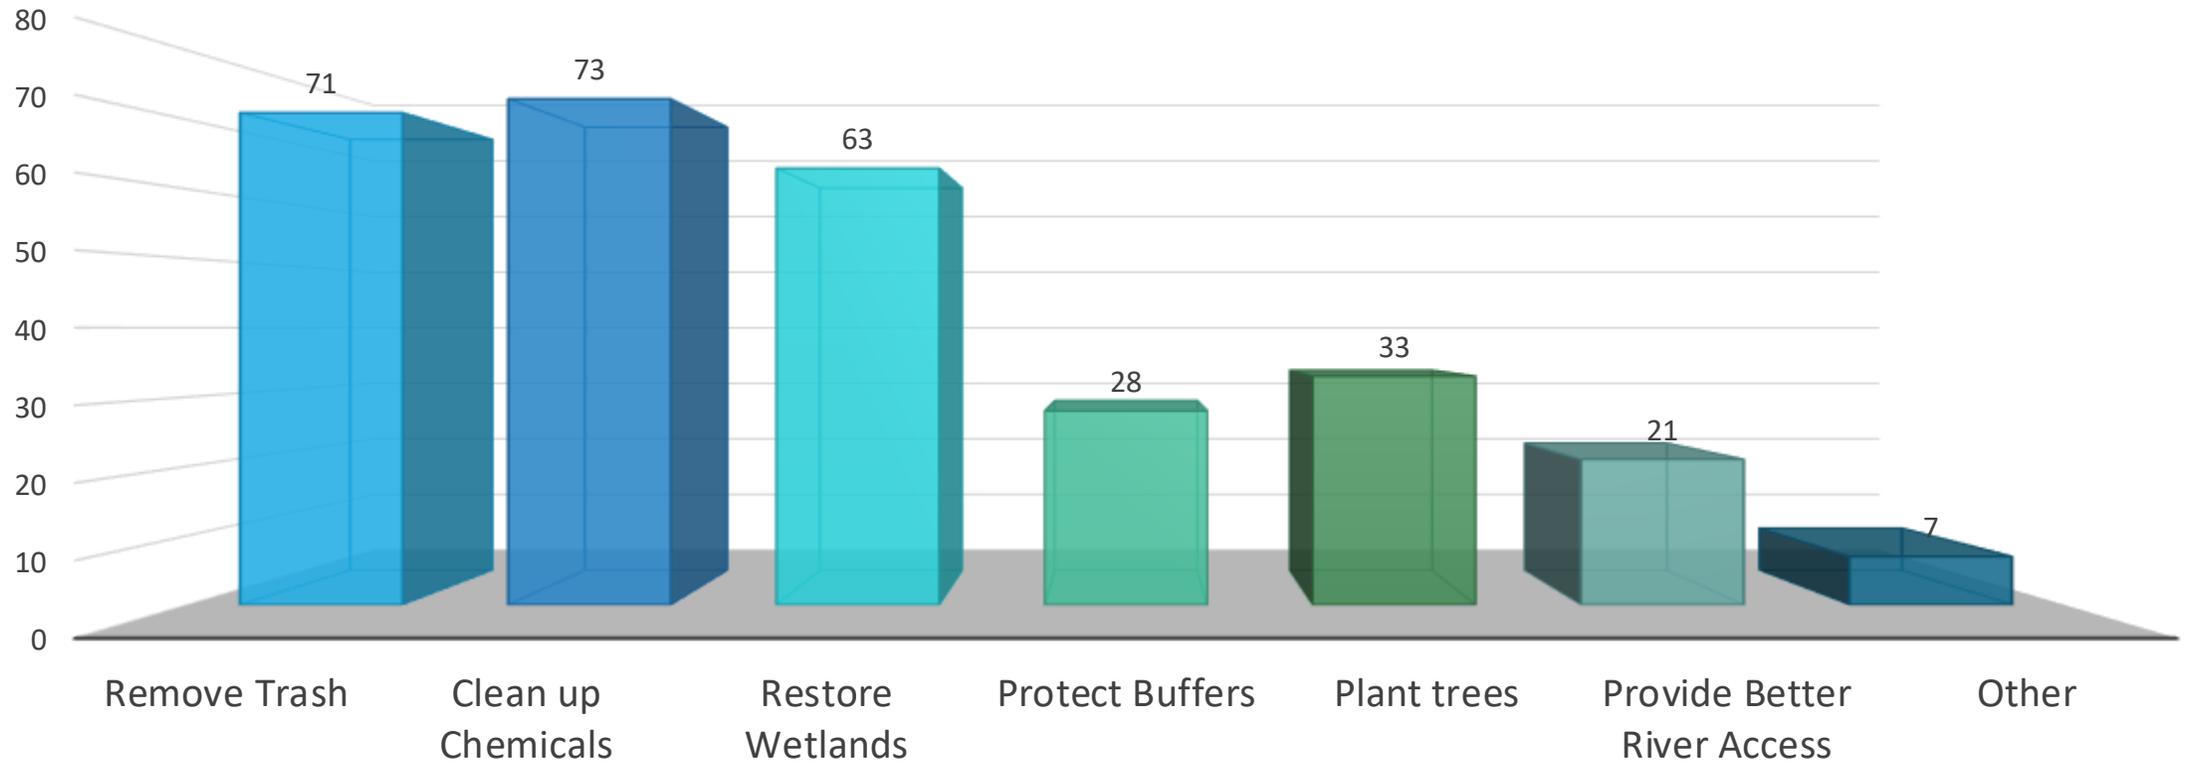

Summer 2022 Survey

Favorite River-Oriented Activities

Summer 2022 Survey

Actions to Take to Make the River Healthier

Summer 2022 Survey

Topics Respondents Wanted to Know More About

Summer 2022 Survey

What it revealed about preferences for access

Visual access just as important as physical access

Participants placed high value on engaging in activities along or in view of rivers

Improving access likely not perceived to be as urgent as other actions

Interest in access shone through in responses to “other”

Repeated references to kayaking, swimming, sailing; creating new or maintaining existing ramps and docks
