Comment Sheet
Coastal Zone Conversion Permits Workshops
November 29 and 30, 2017

If you are unable to make public comments and/or participate in the facilitated small group discussions today, please share your ideas with us on this comment sheet. Your input will be combined with the input heard at both public workshops into a report to DNREC. This report will help DNREC set up a Regulatory Advisory Committee for development of regulations for Coastal Zone Conversion Permits.

Comment sheets can be placed in the box at the registration table or emailed to CZA_Conversion_Permits@state.de.us. You can also submit typed comments to DNREC at this email address. Comments received by DNREC by December 7, 2017 will be incorporated into the CBI report to DNREC.

What initial input do you have about developing regulations for Conversion Permits?
