Interpretive Programming at White Clay Creek State Park

Chambers House Nature Center and Programming Office

The 1820 Chambers House Nature Center serves over 10,000 visitors per year

Environmental Education Programs at Creek, Forest and Field

My class went to Whit Clay Creek State park. we Smashed rock's and we kept one. When we got started we learned about rock's. we learn about mica, quartz, and gneiss. Mica is a rock that is like a mirror. I loved the rock house it was very Coo I am happy I went on this feld trip.

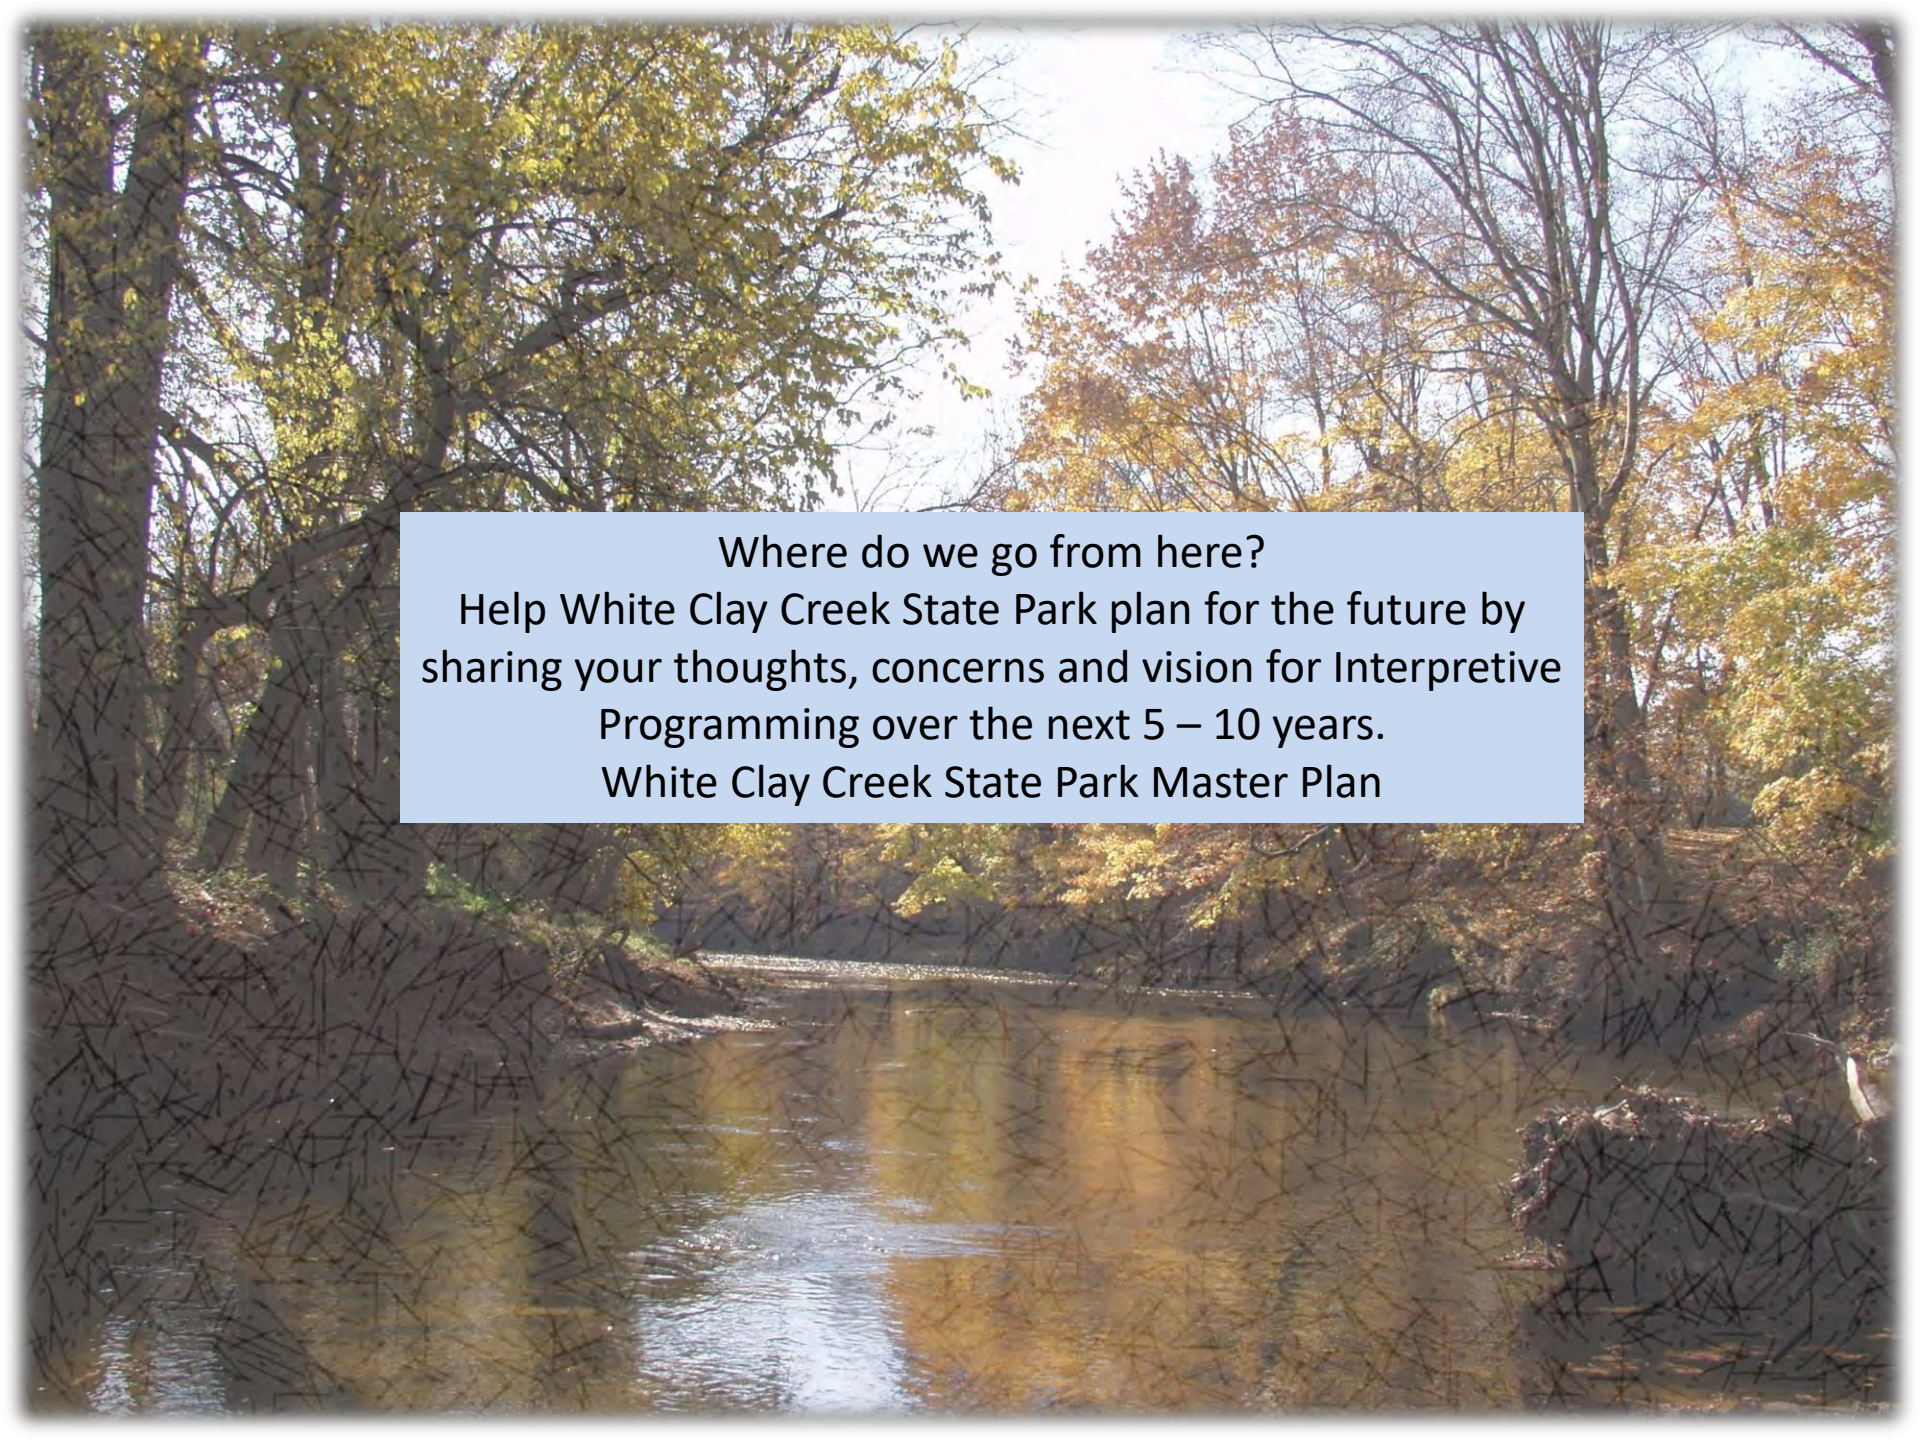
I love White Clay Creek State Park!

Nature and Recreation Camps

Environmental Education Programs for Students Pre K – High School

Adult and Family Programs, All Abilities Hayrides, Staff and Volunteer Trainings

The Judge Morris Estate Programs



Where do we go from here?
Help White Clay Creek State Park plan for the future by sharing your thoughts, concerns and vision for Interpretive Programming over the next 5 – 10 years.
