DESIGNATION OF AUTHORIZED AGENT

The purpose of this form is to allow the owner(s) of a parcel to authorize an agent to act for them in filing an application with the Groundwater Discharges Section. When properly completed and notarized, this form allows the agent to sign his or her name on the permit application in place of the owner(s) signature. An Authorized Agent form does not require notarization if agent is not signing the application for the owner(s). The agent will act as the contact person during the processing procedure and all correspondence will be directed to such person except as indicated below.

The section below must be completed in full, signed and dated. An original of this form must be submitted to the Department with the application.

I, _____ hereby authorize the person named below to act for me as my agent in filing an application for the project listed below with the Groundwater Discharges Section:
